U.S. Agriculture Secretary Mike Johanns  
We are writing to let you know  
our concern of the Animal Health I.D.  
system or plan. As members of the  
Old Order Amish church of Orange Co  
In. We have convictions against such.  
Based on Revelations Chapter 13 verses  
15-17 and Chapter 14, verses 9-12

We also want to express sincere  
appreciation that we are granted the  
privilege to live under a government  
in a free country that is willing to  
hear the voice of the people.

Yours truly  
Joas Lambright
